

London Ambulance Service UNISON Branch

BRANCH CHAIR

25 June 2016

UNISON PRESIDENT

Yesterday at the UNISON national conference in Brighton, Eric Roberts was elected president of UNISON.

Eric has been Branch Secretary of our branch since UNISON was created following the merger of 3 trade unions. COHSE, NALGO and NUPE.

He has worked hard over the years representing ambulance workers and is now at the highest electable position of our union meaning ambulance issues are now at the top of the agenda within UNISON.

This could not have come at a better time particularly following the attacks on NHS terms and conditions where we need to protect the rights of ambulance staff and all staff within the NHS.

If you are not yet a member of UNISON then I would urge you to join as there has never been a better time to be a member of the union for ambulance staff.

Eddie Brand
Branch Chair

Expiry Date: June 2017
