## **UNISON YOUNG MEMBERS**

My name is Dale Barnes and I am pleased to announce that I have recently been chosen to be the London Ambulance Service UNISON young members officer for 2019/20.

I have been with the service for just over four years as an EAC spending my time on the Edmonton Complex and have been a Health & Safety Rep for just over a year.

I look forward to speaking and working on your behalf.

UNISON has around 63,000 young members. If you are a UNISON member and under 27 years of age, you are automatically entitled to participate as a young member.

### **CAMPAIGNING**

Young members make a difference in the workplace by campaigning on the issues that affect them directly, such as, job security and training, apprenticeships, workplace rights, pay and conditions problems and bullying.

As a young member you can take part in all UNISON campaigns.

As a young member you also have the power to act against inequality or discrimination in the workplace and improve conditions for all.

Contact your local rep if you'd like more information about joining UNISON or go to;
