

Be
on the
safe side

**Be a safety rep and make
your workplace safer**

Women - Did you know?

- Menopause is a health and safety issue
- Mental health is a health and safety issue
- Domestic abuse is a health and safety issue
- Flexible working is a health and safety issue

We want more women safety reps in the workplace. For more information please contact Paul Stewart - LAS UNISON H&S Officer. Email: health@lasunison.com

**YOU WOULD MAKE A
GREAT SAFETY REP!**

Be
on the
safe side

**Be a safety rep and make
your workplace safer**

Women - Did you know?

- Women are underrepresented in Health and Safety
- Women do more domestic and workplace cleaning tasks but most cleaning products are tested on men
- 71% of women wear protective work clothing (PPE) that isn't designed for women's bodies

We want more women H&S reps in the workplace. For more information and to get involved please contact Paul Stewart - LAS UNISON H&S Officer.
