## **EAC/TEAC PAY UPDATE**

LAS UNISON met with Senior Management on Wednesday 31st July 2019 at the LAS Staff Council.

During the meeting we raised various concerns about the bulletin sent out this week from People and Culture (EAC updated job description).

The main issue we raised was that of TEACS and their future banding.

The opinion of our Branch is that our TEAC members should be under Annex 21 of Agenda for Change: Arrangements for pay and Banding of Trainees.

We have now given a deadline of Friday 9th August 2019.

If after this date we do not reach a satisfactory outcome we will initiate the disputes procedure.

We are waiting for further information on this issue and will keep you updated ASAP.

**Branch Secretary**
