## **AFC Pay Rates 2017**

The government has announced that NHS staff in England will receive a consolidated pay increase of 1% across all pay bands including high cost area supplements from the 1 April 2017.

Our website has been updated to show the new pay rates at [www.lasunison.com/pay](http://www.lasunison.com/pay)

You give 100% but your pay award is 1%. A new pay campaign has been launched by UNISON. Further details on our website at <http://lasunison.com/pay-award-announced>
